

## About Tracy

Starting as an unlicensed assistant in 2003, I've grown through the ranks to become the principal broker for Comey & Shepherd. Along the way, I've gained a deep understanding of what impacts our business and the challenges we all face.

I've also gained extensive leadership within the REALTOR® organization, having served on numerous committees, task forces, and presidential advisory groups.

During my two years in leadership at the REALTOR® Alliance of Greater Cincinnati (RAGC), I helped navigate our organization through the most delicate of legal and public matters, including an **MLS cyber-attack** and a **national lawsuit settlement**. We have emerged stronger, more determined than ever to elevate our industry in the face of adversity.

I've held almost every role, and I've faced almost every challenge in my service to our industry. I've proven my ability to lead with transparency and unity through the unexpected. My commitment to you is this: I want to give back as much to this industry – and the REALTOR® community as it has provided to me and my family.

### A RECORD OF RESULTS FOR OHIO REALTORS®

I'm Tracy Dunne, a longtime Cincinnati-area real estate professional and industry leader. I have over 20 years of experience serving clients and my fellow REALTORS® at all levels, and it would be an honor to **put my experience to work for you as your 2026 Ohio REALTORS® Treasurer.**

We're in a vulnerable time for our industry. Legal, economic, and technological developments have already disrupted the way we do business, and there's more change on the horizon.

Agents across the Buckeye State will look to Ohio REALTORS® for guidance and leadership to navigate through these uncertain times. I've worked hard at a **variety of industry leadership positions through times of both calm and crisis**, and I am actively engaged in the day-to-day of our industry. I have not backed down from a challenge, and this is one that my leadership journey has well prepared me for.

**Let's create a stronger future together!**

## Vision for the Future

Our industry is evolving rapidly. Ohio REALTORS® must evolve with it, giving our members the **guidance, resources** and **advocacy** needed to thrive. At the same time, we must remain **committed to the core values** that have served our organization well since its founding in 1910.

In partnership with the rest of the Ohio REALTORS® Leadership Team, as Treasurer I will focus on:

-  **Increasing transparency** in association operations
-  **Supporting members** during industry changes
-  **Advocating for the interests** of Ohio REALTORS® in Columbus and Washington, DC
